

Calling all Dunumians

We are looking for some help to inspire our current crop of students. The Careers Department at Down High School would love to amass a collection of short videos, made by former pupils on their smart phones.

Your 2-minute video might aim to do some of the following:

- Introduce yourself.
- Explain your current job title.
- Summarise how you got there - the A-Levels you studied, your Post-18 journey, the qualifications you have gained, and the valuable experiences / placements that add additional interest to your CV.
- Reflect on what you have learned about yourself and what advice you would give to Sixth-Formers today.

You can use any appropriate backdrop for your video and the style may be informal.

If you are happy to do this, then please email your video short to Down High School - info@downhigh.downpatrick.ni.sch.uk

Video shorts should be sent as a link to a web-based host and the school will take this as your consent to share the video content as we look to inspire current pupils. Please try to persuade some of your fellow Dunumians to take part as we want to represent as wide a range of career areas as possible and to really inspire our pupils.

Thank you so much. We know that you would have found this really helpful when you were in Sixth-Form.

Best wishes and Floreat Dunum

The Down High Careers Department
